

## Training of Trainers: Digital Transformation

### Date and place

17-23 April 2023,

[DIC Hostel](#), Poljanska cesta 26, 1000 Ljubljana, Slovenia

Dear trainers and facilitators

We are pleased to invite you to participate in a training programme that will empower you to unlock the full potential of your organisation with DigitalYou. The Training of Trainers presents a step-by-step approach to learning, equipping you with the tools you need to navigate the digital world with ease and confidence.

As we move into the digital age, it is crucial that we - trainers and facilitators - and our organisations embrace digital technology to improve our internal operations and enhance our digital presence. This training programme is designed to provide you with a comprehensive guide to managing your organisation using a variety of digital tools, enabling you to take your organisation to greater heights. In addition, you will be able to transfer this knowledge to others and empower them to do the same!

Through the training, you will learn advanced e-learning and online learning tools that will help you establish contacts and partnerships. In addition, you will become a shared owner of a highly advanced DigitalYou platform tailored to your specific needs. This will greatly contribute to transforming the way you conduct your training and facilitation activities.

Regardless of your level of digital experience, the training programme has been designed to be friendly and accessible to all. By participating in this programme, you will gain the skills and knowledge necessary to increase your organisation's efficiency, productivity and digital presence, ultimately leading to greater success.

Don't miss this opportunity to take the first step towards digital transformation. [Register](#) and join us today and unleash the full potential of your organisation with **DigitalYou** in just 5 steps. For more information, you can contact us at [urska@tipovej.org](mailto:urska@tipovej.org).

Thank you for your consideration and we look forward to your participation.

Yours sincerely,

Urška Cesnik

Lead trainer of the ToT Digital Transformation
